Don Porter has stood manually behind
"The Kenyon" since its opening, a
year ago, pouring out money like water
to make it the best. But Mr. Porter
was an hotol man provious to this successful venture, which is now a delightful reminacence that will "point a
moral and adon a tale," and the traveling men take great pleasure in criticising and analyzing things, and pointing out how each EFFECT naturally
grows from appropriate CAUSE.

an Entertainment.

A photo-stereo entertainment of a high order of merit was given in the New Grand theatre to a large and interested audience last evening. The offsir was under the auspices of the Woodmen of the World. Pacific jurisdiction, the object testing to proclaim the principles of the Woodmen of the World. Pacific jurisdiction, the object testing to proclaim the principles of the Woodmen address explaining some of the beneficiant features of weather which since 1859, has acquired weather which of widows and orphans. In the Pacific jurisdiction, embracing the nite mountain and coast states, the membership has grown to 440%, and \$1,31,000 represent the benefits paid.

Between Mr. Elliott's address and the interesting talks of C. E. Campbell and W. F. Locks, the traveling organizers, the Descret Mandolin club rendered catchy selections, and T. E. Newman gave a relitation in artistic style. Mr. Lacks explained the features of the auxiliary order known as Women of Woodcraft, and Mr. Campbell talked orlefty on the woodcraft as a fraternity.

The envertainment concluded with a very fine exemplification of what the lating, phonographs and stereptions can do in the way of talking, singing and terfecting langes.
